Automation: The Magic Word

We graduating seniors chose "automation" as the theme of this yearbook because, to us, it is truly a magic word. It means not only the advancement of mechanical and scientific skills and processes, but it spells out an increasing recognition that man in the future will not work for machines but that machines will work for man.

Each day new methods and machines help to eliminate the burdensome tasks once done by human hands and muscle. We have been introduced to the possibilities here in our science and industrial arts classes, and we have learned how progress is a many-sided thing, closely linked to social and spiritual progress as well. We have seen a brand-new beautiful building spring up on the north end of our high school. We seniors are proud and excited to have been in some measure associated with it.

"Automation" is really magic. It is a word which connotes so much more than it denotes. It is a symbol of miracles yet to come. That is our theme for 1957 and our hope for the future.

D E D I C A T I O N

Mr. Regenmorter

It is with deep and sincere appreciation that we, the Graduating Class of Nineteen Hundred Fifty-seven, dedicate this volume of The Oaks to our friendly speech instructor and class adviser, Mr. John Regenmorter.

Born in Grand Rapids, Mr. Regenmorter attended Union High and Junior College in that community, going on to Northwestern University where he received both his bachelor of science and master's degrees in Public Speech and Speech Education. For three years, he taught in Davenport, Iowa, and at Northwestern National Institute during the summers. He spent three years in the U. S. Army before joining the faculty here at Heights High School in 1953, where, besides teaching debate and speech, he has competently coached our Varsity Debate team and Forensic students.

As a class adviser, he will be long remembered for his splendid help . . . and, we may add, endurance. We thank you sincerely, Mr. Regenmorter, and as we depart with fond memories of our school, we leave to you this dedication as a token of our appreciation and best wishes for your future happiness and success.

Board of Education

Morton, Campbell, Sutton, Carl (President,) Strand, Faust, Pearman, Booker (Superintendent)

We Graduates of '57 wish to thank you publicly, and to express our gratitude and appreciation, for your part in providing us with a foundation upon which to build our future.

A few years ago you helped to give us a brand new gymnasium — the C. F. Bolt Memorial gymnasium as it is now known — and we really have enjoyed it immensely. Last year and this, sprang up the new Shop Addition — our New North Wing — offering modern facilities for the learning of industrial arts and crafts, mechanical drawing, auto mechanics, music and art.

We are truly proud of graduating from Heights High. Thank you all. We shall never forget your unselfish service in behalf of us and this community.

Mr. W. R. Booker

Superintendent of Schools

As we June graduates leave Heights High to take our place in this complex world, we would like to express our thanks and appreciation to you, Mr. Booker, who have done so much to make our educational career both gratifying and profitable.

Mr. Booker, born and raised in Indiana, received his master's degree from the University of Indiana, taught at Kalamazoo College, later served as the Superintendent of the Greenville Schools before coming to Muskegon Heights in 1928. He is well acquainted with education from all aspects — a student, a professor, and an administrator.

We are proud to be graduates of Muskegon Heights High School while you were the Superintendent and we will always remember you as a capable executive who, by his works, has won the admiration and respect of the students, faculty, and townspeople.

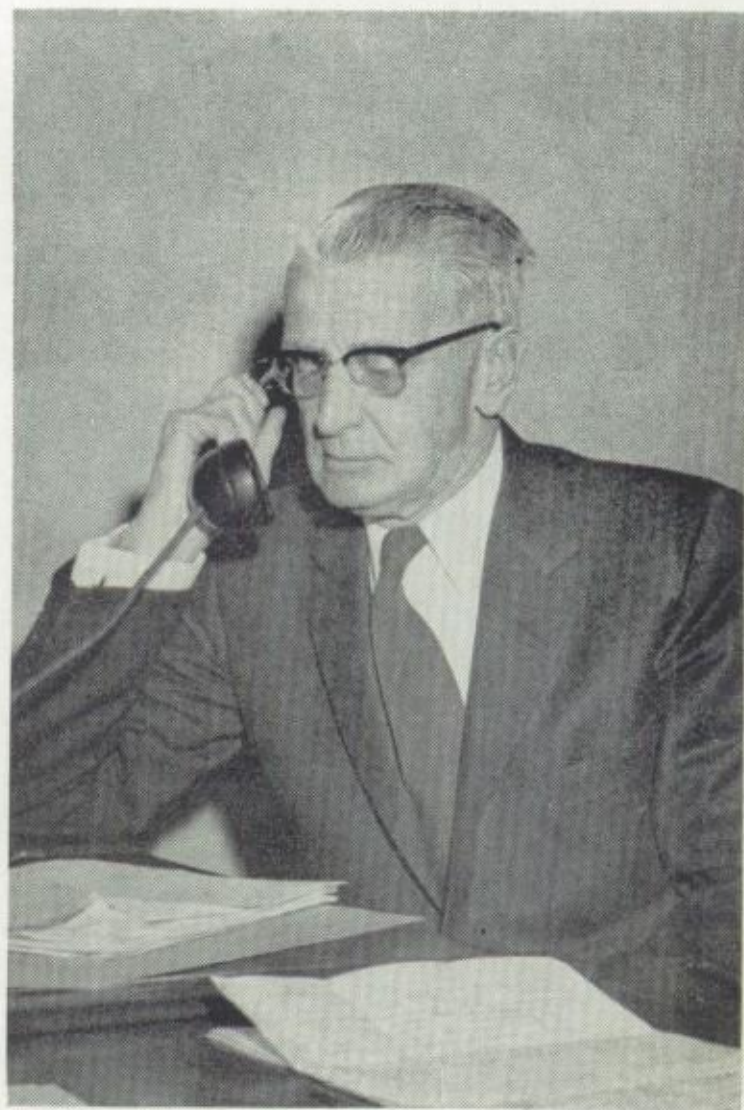

Mr. James W. Verduin

Administrative Assistant

In the fall of 1955, a new administrative position was created by the School Board which was filled by a very fine and capable leader, Mr. James W. Verduin, who taught Social Studies in Muskegon Heights Senior High School from 1938 through 1955. His duties now, as Administrative Assistant, include the directing of the curriculum and personnel.

Mr. Verduin received both a Bachelor of Arts Degree and a Master of Arts Degree and is a graduate of Western Michigan College, the University of Wisconsin, and the University of Michigan.

Many of us never really become well acquainted with Mr. Verduin because he was only here during our sophomore year, but those of us who have had the pleasure of knowing him, know he is a competent leader, a fine person, and one who can never be forgotten.

Principal and Office Staff

Mr. H. A. Kruizenga

Principal

To you, Mr. Kruizenga, we the Senior Class of 1957 say a fond farewell. We would like to express our sincere appreciation and heart-felt thanks for your patience, hard work, and loyalty during our high school career.

Mr. Kruizenga was born in Spring Lake, Michigan, was graduated by Grand Haven High School, received his Bachelor of Arts Degree from Hope College and his Master's Degree from the University of Michigan. He taught in Kentucky three years before coming to Muskegon Heights more than 20 years ago. He has coached tennis and reserve basketball and was acknowledged as a very fine Latin instructor. He has served as principal since 1953. Always interested in building eminent men and women, he has helped us make many all-important decisions which has influenced us to do that which is right.

Mrs. Anna Harvath and Miss Jeanne Nelson are two people who could run for "Most Popular" or "Most Indispensable" and win the election "hands down!"

Although specialized training is an obvious necessity for the new army of leaders needed in every field — from engineering to school teaching, from politics to the electronics industry — there is one qualification common to all of them. This is the basic requirement for leadership everywhere and in all periods of history. *It is the ability to communicate.* The one essential tool for every sort of leader is skill in the use of words. Indeed, his job — always and without exception — primarily is to explain, to persuade, to give clear directions, to encourage and console; in sum, to convey ideas to other people.

Social studies and speech concern all of the students enrolled. Both are very important for good citizenship and for communication under a free democracy. Advanced speech, dramatics, and radio are also offered; and there are opportunities for work in play productions, forensics, and debate. The primary objective of social science is a thorough understanding of the American way of living. General History, Economics, United States History, and American Government (Civics) give a good understanding of federal, state, and local affairs.

The Best Teacher

He is the best teacher in any given case who arouses the student to energetic action, directs his efforts in the right way to consistent, worthy, and noble ends; causes him to form manly, tasteful, and proper habits, and creates within him a thirst for knowledge and for personal excellence that will bear him firmly through all the allurements of dissipation, the dazzling splendor of prosperity, or the deep, dark gloom of poverty.
— Braxton Craven, quote in *School and Society*, July 19, 1952, p. 35.

The school year 1956-1957 was a busy year for the members of Student Council. The Council sponsored a football dance and the train to Benton Harbor. Lyceum assemblies which were arranged by Council were very successful.

The most important project which the Student Council has organized during the latter part of '56 and the beginning of '57 is a school-wide carnival for the purpose of raising enough money in order to bring a Foreign Exchange Student to our school in the Fall of '57.

Senior Play

ROOMFUL OF ROSES

This year the senior class chose "Roomful of Roses", the Broadway hit of '55, for their annual production.

It was the story of a frustrated young girl who was forced to choose between her divorced parents. After seeing how each lived, she made her choice and realized that the world was safe for love and understanding. The play also had its bits of humor portrayed through a typical brother and sister relationship and a friendly but nosy neighbor.

All-School Play

South Pacific

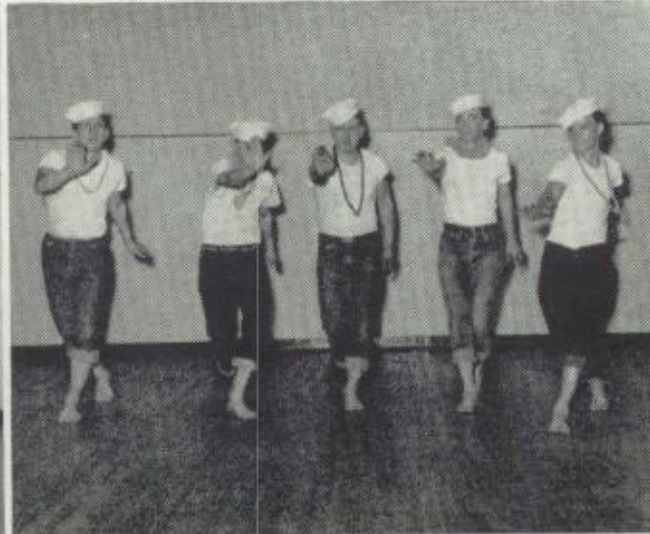

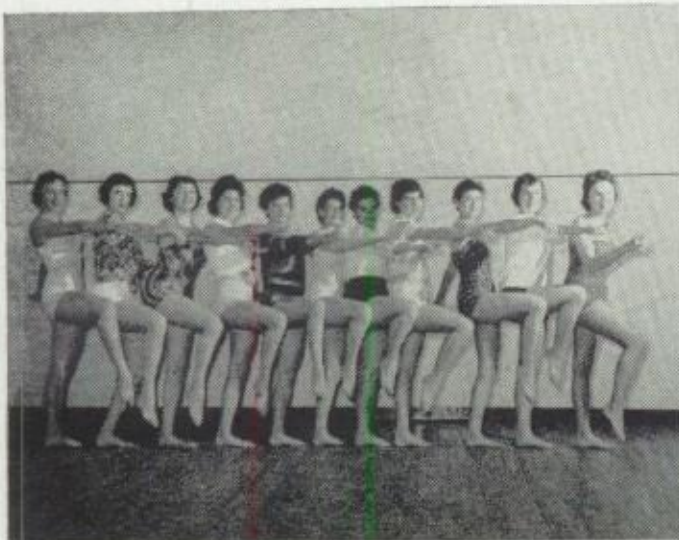

Through twenty-four realistic scenes, a visit to the "South Pacific" was the result of the successful all-school play. "South Pacific" was a huge undertaking for all who participated. This was a musical presentation of Rogers and Hammerstein and our school was one of the first high schools to attempt it. It involved a total cast of over one hundred. There were singing and dancing choruses and excellent dance lines. The play was produced on May 1, 2, 3, and 4, with Jan Hahn, Carole Schoolcraft, Jim Black, and Ed Terdal capably portraying the leads.

Publications

As usual, the Journalism Class has been extremely busy this year. Every week we sent articles and a picture of school activities to the Chronicle for the school page. During the year several editions of the Acorn were published but the biggest project was the publication of The Oaks in which we were assisted by the art and printing departments, and the Senior Class.

"All the news that fits, we print."

The first Acorn comes off the high school press!

The 1957 Tiger Marching Band had an outstanding season. With special musical arrangements and clever, precise marching routines, the Band really outdid themselves. They played for all pep assemblies and helped instill that solid Tiger spirit in our student body.

Majorettes: Carolyn Himmelberger, Barbara Baskin, and Norma Botruff did an excellent job of aiding the Band as did one of the finest Head Majors we've ever had — Jayne Souser, assisted by Jack Melin.

Credit goes to Director — Albert Meerzo, Assistant Director — Martin Ashley, and Announcer — Robert Chartrand who were exceptionally pleased, as were the students, with our Marching Season.

Under the capable leadership of Coach Gale Bolthouse and assistant Coach Frank Garzelloni, our Tiger Reserves were unbeaten in eight games. The only "smear" on the record was a 6-6 tie to Muskegon Catholic Central's Crusader seconds.

The only time the Little Tigers were pressed was in the Catholic Central game. The other games, including the Muskegon game, were quite easy. In the high point of the season for the reserves, they steamrolled over Muskegon by the overwhelming score of 34-0.

The boys who composed the starting eleven and turned in capable performances were Art Oliver at end; Jim Fulton, only a 9-2, at end; Larry Sorenson at quarterback during the early part of the season and guard at the latter part; Lucky Berry, who was one of the team's best scorers, at halfback; Joe Clifford at guard; Bill Poland at fullback; Art Christopher at halfback, Mike Whittaker, who unfortunately broke his leg in the middle of the year at tackle; and one of the most pleasing surprises of the year occurred after Sorenson was moved to guard and Dan Strickler took over at quarterback. He turned in as smooth and polished a job as one could wish for. Other boys who played regularly were, Bob Waite, Jimmie Johnson, Ed Jacoby, Lucious Green, Dave Page, Bob Miller, Bob Sims and Lee Schaudé.

Yes, it was a good year for our Tiger Cubs and with these promising prospects our future is secure.

MUSKEGON HEIGHTS — 20 MUSKEGON — 7

In the annual battle between the Big Reds and our Heights Tigers, the Tigers came out on top, in a hard fought game.

The scoring started with the Tigers capitalizing on a misjudged punt with Willie McCarty falling on the ball in the end zone for a touchdown. Other touchdowns for the Tigers were scored by Ken Howell on a one-yard plunge and a recovered fumble in the end zone by Ed Burton.

Champions in Action

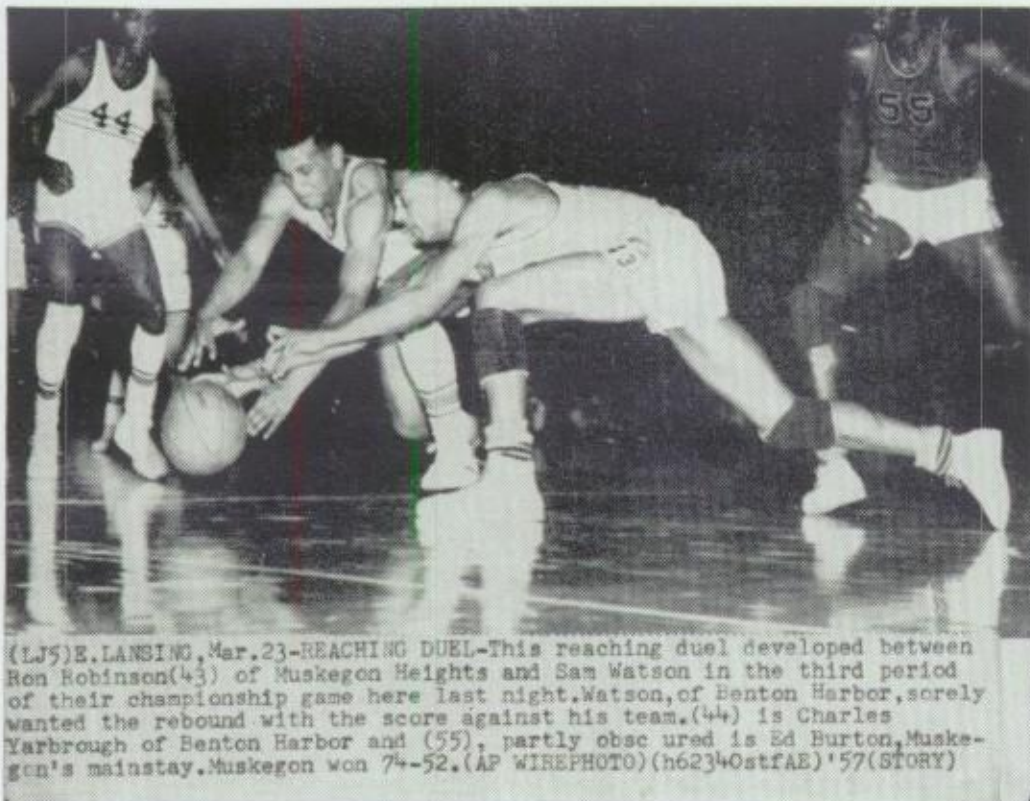

How They Won the Title

This past season the "fabulous Tigers" continued their winning ways, going undefeated for the entire season and once again — the third time in four years — annexed the State Class A Championship!

In the last four years the Tiger basketballers have won 76 of 81 games played, four regional titles, and three State Championships! What an amazing record! Undefeated for the entire season of 1956-57, a record for our Tigers, they went on to stretch their win streak to 27 straight.

We cannot forget Ed Burton, who again was the unanimous choice for All-State and All-tournament honors, scoring 474 points in 20 games for a 23.7 average per game. He broke his brother's (M. C. Burton's) record for three-year scoring honors by two points, compiling 1,143 points in '60 games. Where can we find another Ed Burton? If ever?

Although three members of the starting five graduate this year, the Tigers of 1957-58 have vowed to continue the winning tradition of Heights Tigers. It wouldn't be too much of a surprise if they really do it! Who knows?

(LJ5)E.LANSING, Mar. 23-REACHING DUEL-This reaching duel developed between Ron Robinson(43) of Muskegon Heights and Sam Watson in the third period of their championship game here last night. Watson, of Benton Harbor, sorely wanted the rebound with the score against his team. (44) is Charles Yarbrough of Benton Harbor and (55), partly obscured is Ed Burton, Muskegon's mainstay. Muskegon won 74-52. (AP WIREPHOTO)(h62340stfAE)'57(STORY)

It looks like a rebuilding year for coach Rudy Theis track team. There are not too many returning lettermen but, there are some bright prospects in the freshmen and sophomores.

Outstanding last year were: Tom O'Neil in the dashes, Nate Hunter broad jump and relays; Art Howell in the relays, Don Mosley in the 880 and Curtis Scott in the mile. One player that the the team will miss this year is Tom Miles, who did a very creditable job last year in the 440.

Coach Theis has always managed to give the crowd a thrill with a team that never gives up and looks for nothing but victory.

The Heights Tigers came through in the 1956 season with a brilliant 11-2 record. Coach Oscar Johnson's team ran its winning streak over Muskegon to five straight games.

The season's prospects look favorable for the 1957 season. There are seven lettermen back from last year's team. They are Darrel Brott, Tom Christopher, James Shepard, Lloyd Swelnis, Ron Zimmer, along with juniors, consisting of Ossie McCarthy and Ron Robinson.

With many bright sophomore prospects to go along with the lettermen the 1957 season looks even brighter.

As Mr. John Sydnor begins his third year as varsity tennis coach, the hopes are for a better season. Coach Sydnor has five returning lettermen and a few promising prospects.

The lettermen who are returning this year are: (Seniors) Jerry Austin, Bob Bramer, and Dave Dawes; (Juniors) Larry Sorenson and Jim Jackson.

The addition of Dan Wright, a transfer from Muskegon, has greatly improved the team's strength. Dan, who lettered last year, played in the first doubles.

Most of the boys who played on the tennis team last year showed an increasing amount of interest in the summer tournaments. It is hoped that this interest will continue to grow.

Senior Class History

In 1954 when we were started on the Heights High "production line", much work was to be done before we would be packaged and labeled "graduates". In departments 10-1 and 10-2 our progress was kept in order by our well qualified foremen, Ron Zimmer and Sally Dykema. Progress was recorded by our inspector, Sandy Dykema. Moving down the line, parts were bought by Tom Christopher of the bargaining committee. Ron and Don Johnson, "plant protection", were on hand. In spring of '55 the line was stopped and everyone was given a vacation.

In September, activities on the line were resumed. In departments 11-1 and 11-2 our foreman, Ron Piasecki, did a fine job assisted by Pete Pelotes. Our able inspector, Mollie Pelotes, noted all activities and Tom Christopher again purchased parts. Ron Johnson, "plant protection", took care of disturbances. In these departments we sponsored two dances, an assembly, and entertained departments 12-1 and 12-2 and our own with "Stairway to the Stars". In June of '56 the line was again stopped and everyone took a vacation after having worked hard, for we had a busy year ahead.

In the fall we entered departments 12-1 and 12-2 with a large order to fill by June. Again we had hard-working Ron Piasecki as our foreman along with Marty Ashley. Our statistics were recorded by our capable inspector, Jane Olson. Our member of the bargaining committee, Judy Watson, ably bought our finishing materials and plant protection was handled by Dave Dawes and Doug Wood. We put on assemblies, sponsored several dances, produced the great success, "Roomful of Roses", and published an outstanding Oaks and many Acorns. We also sponsored several booths at the Carnival. As our completion neared, we enjoyed Department 12-2 Day, Department Picnic, Bum's Day, Dress-up Day, Teas, Department Breakfast, and Baccalaureate.

On June 13, 1957, we were packaged and labeled "graduates" for our order had been filled.
